7 WAYS YOU CAN GO HANDS-FREE TODAY!

Don't use your phone while driving.

Use a single earphone that has a microphone.

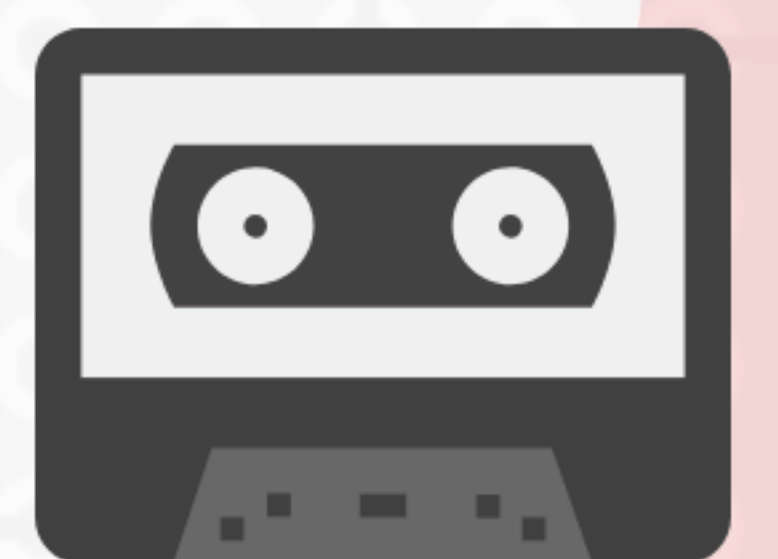

Pair your phone to your current vehicle.

Buy an auxiliary cable and connect your phone's earphone jack to your vehicle's AUX jack.

If your car is older and doesn't have an AUX jack but has a cassette player, you can buy an adapter that fits into the cassette player and allows you to connect your phone through the earphone jack.

Buy a holder to clip your phone to the dash.

Buy a Bluetooth speaker or earphone to pair with your phone.
